Since 1990, CROSS IT OFF YOUR LIST has helped busy people like Y-O-U get more value out of every minute of every day. Our Organizing, Relocation, and Lifestyle Management Services are designed to give people back the time and space they need in their homes, their offices and their lives. See, we told you it was all about you!

Based in New York City, with outposts in The Hamptons and Los Angeles, we provide our services in locations far and wide. We have an incredible network of resources and relationships around the world, cultivated over many years in the industry. Wherever a client needs our services, we are there to make it happen.

Our Founder and Chief Executive Organizer, Linda Rothschild, is nationally recognized as an expert in organizational services. She is a past president of the National Association of Professional Organizers and is the 2003 recipient of the Founder's Award for outstanding contributions to the organizing industry. Linda has been a serious list-maker since she could first put a pencil to that perfectly organized, blue-lined paper they introduced her to in kindergarten. Naturally, it was only a matter of time before she graduated to index cards and became our fearless, list-making leader!

Okay, enough about Linda... because it's not about her, it's about you — remember!?!?!

speaking of you...

We are always looking for organized, energetic people across the globe who want to work for a dynamic, fun and growing company. If that describes YOU then click here to apply!
